About Us

Established in the year **2016** at **Pune, Maharashtra**, we, **IBHA Systems Pvt. Ltd.**, are a highly acclaimed **Manufacturer, Exporter, Importer and Service Provider** of premium quality **Fuel Ethanol Process Plants, Evaporation Plant, ENA Plant, Food and Pharma Division Plant, Zero Liquid Discharge Plant, Engineering Consultancy Projects and many more**. The products offered by us are manufactured strictly as per industrial quality standards and guidelines by using raw materials of the best quality. Our products are highly acclaimed for their easy and hassle free installation, lower needs for maintenance and longer service life. We make these products available to clients at highly reasonable market prices within the specified time period in the specifications desired by them. Our products undergo strictest quality inspection prior to dispatch by a team of experienced professionals in order to assure clients of their efficient functioning and durable service life. The demand for our products is high in the industrial sector.

Under the highly capable leadership of Mr. **Suhas Shinde (Marketing Manager)**, we have established our credibility and trust through our efficient business practices and dealings. Our ethical transactions have helped us achieve success and earn the client's trust. Through the consistent delivery of a qualitative product array, we have garnered a huge client.
